# RYAN WARREN

---

## EXPERIENCE

---

RESEARCH ASSISTANT  
NC State University  
Jan 2018 - Present

Collect and analyze data relevant to determining population growth in endangered plant species in and around Fort Bragg, NC.

TEAM MEMBER  
Target  
Aug 2017 - Present

Assist in handling backroom and front of store operations including guest interaction, organization, and overall efficiency.

INTERN  
NCSU Women's Center  
Spring 2018

Connected with students and other potential clients to educate them about the organization and upcoming events, and assisted in event scheduling, planning, and promotion.

CIRCULATIONS DESK  
UNC Sloane Art Library  
Aug 2016 - May 2017

Assisted students and staff with finding and checking out materials, added new media to our computer system, and helped people with computer issues during their time at the library.

BIOLOGY TA  
NC SCHOOL SCI & MATH  
Aug 2015 - May 2016

Assisted teachers with presenting material to students, held general tutorials and other tutoring sessions, and organized and prepared labs.

---

## EDUCATION

---

NC STATE UNIVERSITY  
Aug 2017 - Present

At NC State I am majoring in Social Work, and hope to go on to earn my Master of Social Work degree. I am also minoring in wild-life conservation.

UNC CHAPEL HILL  
Aug 2016 - May 2017

Although it was not the perfect fit for me, spending my formative years at schools like NCSSM and UNC allowed me to discover what truly matters to me - social good and sustainability.

NC SCHOOL SCI & MATH  
Aug 2014 - May 2016

NCSSM helped me grow to find my passions. While attending, I put most of my focus towards my research in humanities.

---
